SUMMER AG

INSTITUTE

A Hands-On Learning Experience for Educators

During this four day program, teachers will learn first-hand about agriculture and how to teach their students about the world's food and fiber system. Program participants will travel to agri-businesses, food companies, and farms along with classroom programs. This is all available for only \$240 per person including 2 nights lodging, transportation, and several meals. Graduate credits are pending at this time, however 30 PDCH credits are available. Information about grad credits will be sent as soon as available. Registration forms are available on-line at winnebago-boonefarmbureau.org. For more information contact Diane Cleland at wfbaitc@live.com or 815-962-0653.
