

"The idea of my life as a fairy tale is itself a fairytale."

-- Grace Kelly

Grace Kelly

American Princess

Few lives seemed so much like a movie. The talented young woman – beautiful and successful in her movie career – was swept off her feet by a real-life prince in a whirlwind romance. Their fairytale wedding in 1956 made her a princess. But beneath her cool, gracious smile, Grace Kelly was a young woman who yearned for her father's approval and worked hard as a wife and mother. In this historical portrayal, award-winning actress and historian Leslie Goddard portrays the woman who transformed from a Hollywood superstar to a real-life princess.
