NOTES

DDA Food Donations Helped Those in Need

Thanks again to everyone that came out and played in the LOTD at Katz on December 19th. Not only did we have a good time, but we were able to deliver a whole carload of donated food plus \$90.00 in cash to help **The Good Neighbor House** in Dayton. They provide food, clothing and medical care for people who work but still are able to make ends meet each month. Nicely done darters!

Come Out and Support Our Tournament

The **Gem City Open** will be in full swing on June 3rd and 4th at the Pla-Mor Lanes on Linden Avenue. For you that have not seen it, having it in a bowling alley seems strange but works really well! Good sound, nice lighting, a full bar and a menu of food - all backed by great play on the boards. This tournament is designed to work for local players or someone who wants to try out the tournament experience without the travel. It's a great day for a small fee - give it a try!

We're trying out Electronic Scoring this Summer

We will be running a trial of the popular **DartConnect** program in the upper league on Thursday for the summer session. You can see a demo of it's use at the banquet or stop and watch a summer match - you'll see that it really is easy and fun and will hopefully allow more people to play that avoid steel darts only because of the chalkboard experience!

'Nuff said. The forms are in the Captain's packet.
