A Note from Rick: Butcher cows and butcher steers were up slightly on Tuesday. The Special Feeder sale was steady with where it has been the last couple of months. We had a good run of cattle and they sold consistent with the market. It seems that there is more activity and more interest in this market and I see that as a good sign. I think we have all accepted the market for what it is and have started to move forward with it. Please remember that there will not be a regular Tuesday sale on October 30 due to our 4 day Draft Horse, Equipment and Carriage Auction. The Fall Friesian Classic was a great success this weekend and the horses sold extremely well. We had a large crowd and lots of active bidders and buyers. We would like to thank all who attended and helped to make this sale a success. The Draft Catalog is full and we have given numbers well into the evening on Friday. We are looking forward to having lots of horses offered and a great sale. Make plans to check out TLA!
