

Gilbert High School - Agricultural Education Department
COURSE SYLLABUS AG100 - Applied Biological Systems

Mrs. Bridget Goodner

480-497-0177 ext 870-1429

Bridget.Goodner@GilbertSchools.net

Course Overview: This course will introduce the basics of agricultural science, animal science, plant science, food science and agricultural careers. This course is a prerequisite to other Agriculture Education courses.

Class Fee: \$15

This course will meet one of the District graduation requirements for science, but **will not** replace Lab Biology. This course will satisfy **one lab science credit** for Arizona university entrance requirements.

Course Goals: The purpose of this course is to give students a head start in the growing agriculture and agriscience industry. It offers a broad look at many paths in agriculture such as plant science, animal science, food science, business, natural resources and more. Students will then have the option to further their development in other agriculture courses after completing this prerequisite.

Topics of Instruction (subject to change):

1. Receive an introduction to agriculture and FFA
2. Demonstrate an understanding of plant science
3. Demonstrate an ability to keep records
4. Exhibit an understanding of food science
5. Demonstrate an understanding of animal science
6. Demonstrate an understanding of natural resources
7. Research career options and understand career preparation
8. Develop communication skills
9. Demonstrate an understanding of science fair and conduct an experiment
10. Maintain a Supervised Agricultural Experience (project outside of class)

Grading: Grades are earned based on the following scale:

90-100 = A 80-89= B 70-79 = C 60-69= D 59-0 = F

The final exam at the end of each semester will count as 20% toward the student's final grade.

Course Requirements:

Memorization and delivery of the FFA Creed; report and speech on companion animals; a scientific research project and report; planting and caring for a garden; Supervised Agricultural Experience and record keeping. Quarterly leadership activity participation will be required. Unit exams will be at the end of each unit. Refer to the curriculum to determine approximate dates.
