

# Schuyler Sisters - Hamilton

BURR

There's nothing rich folks love more  
Than going downtown and slummin' it with the poor  
They pull up in their carriages and gawk  
At the students in the common just to watch 'em talk  
Take Philip Schuyler, the man is loaded  
Uh-oh, but little does he know  
That his daughters, Peggy, Angelica, Eliza  
Sneak into the city just to watch all the guys at work

Daddy said to be home by sundown  
Daddy doesn't need to know  
Daddy said not to go downtown  
Like I said, you're free to go  
But look around, look around  
The revolution's happening in New York  
Angelica                      work!

It's bad enough Daddy wants to go to war  
People shouting in the square  
It's bad enough there'll be violence on our shore  
New ideas in the air  
Look around, look around  
Angelica, remind me what we're looking for  
She's lookin' for me!  
Eliza, I'm lookin' for a mind at work
