

ANDOVER GLEN HOMEOWNERS ASSOCIATION NEWSLETTER - WWW.ANDOVERGLEN.ORG

IN THIS ISSUE

From the Board

Hello Neighbors!

As 2021 is upon us, the Andover Glen board wishes you and your families a happy and prosperous New Year.

We look forward to the changes and challenges of the upcoming year but we mostly hope for:

- Vaccinations and good health
- More moisture from mother nature
- Social events to resume so we can visit with neighbors
- Keeping all of the good things we learned from the pandemic (the silver linings)
- Bountiful produce from the community garden

- A year of good will and kindness to one another

Thanks to all of the neighbors who make Andover Glen such a great place to live in.

Again, Happy New Year to all of you, and stay safe!

End of the Year Comments

2020 has been an unusual year.

There has been way too much illness, pain and suffering affecting too many people in 2020.

During times like this, it is common to become sad or depressed, and feel our lives are on hold.

But it is also a good time to remember how lucky we all are to be in good health, have our families around, and live in such a great community with wonderful neighbors.

We will all miss our annual holiday party this year, and the Andover Glen social committee plans on making up for it as soon as we resume a safe and normal life in 2021.

In the meantime, please continue to do your part in staying safe and healthy, and encourage or support others to do the same.

Stay Alert

Larceny from motor vehicles remain a problem in our area.

The majority of these occur between 10PM - 6AM and mostly because victims leave their cars unlocked.

Don't be a victim; keep your vehicles in the garage if at all possible, and if not, the driveway is second best. Make sure doors are locked at all times.

Don't leave anything of value in your car, including garage door openers, cell phones, chargers, and of course keys.

Thieves don't want to be seen, so keep outside lights on to deter them from your approaching house and cars.

If you see anything or anyone suspicious, please do not post on social media, and instead call the non-emergency Police number and report it as soon as possible, at 303-627-3100.

In addition, please alert a board member so we can keep the neighborhood informed.

Republic Services

Another positive outcome of 2020 is that so many of us have had plenty of time to clean our houses from top to bottom and throw out unwanted stuff.

Therefore, and if you find you need an additional trash bin, you can contact Republic Services directly at 303-286-1200, and request an additional bin for a nominal fee.

On another hand, if you had extra trash bags for pick-up and have been charged a fee for those, please notify Kathy Johnson at 303-693-2264.

Local School Support

If you are a customer of Longmont Dairy, please keep the bottle caps as they can provide funding support for some schools.

If you need more information about this program or do not have time to deliver the caps to a participating school, please contact Marcelle Esposito at marcelle.esposito@comcast.net.

Friendly Reminders

Ice & Snow: please be a good neighbor and shovel your sidewalks within the mandatory 24 hours after a snowfall, per City Ordinance.

If you know of a neighbor who cannot shovel their sidewalk, perhaps you can do the neighborly thing and help.

If there are parts of your sidewalk or street that never melts and become a hazard, please call the City of Aurora Snow Mitigation Department at 303-326-8200

Lastly and as always, please abide by the speed limits in the neighborhood, pick up after your pets, and keep your trash bins out of sight (also per City of Aurora Ordinance).
