## COVID-19 Liability Waiver

The novel coronavirus (“COVID-19”), has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. While rules, guidance, and personal discipline may reduce this risk, the risk of serious illness and death does exist. **South Valley Athletics (“SVA”) cannot completely mitigate the transfer of communicable diseases like COVID-19 especially when involved in soccer. Participation in soccer includes possible exposure to and illness, injury, or death from infectious diseases including COVID-19.**

In consideration for providing my child the opportunity to participate in soccer and any related transportation to and from soccer events, both my child and I voluntarily agree to waive and discharge any and all claims against SVA and release it from liability for any exposure to or illness or injury from an infectious disease including COVID-19, including claims for any negligent actions of SVA or its employees or agents, to the fullest extent allowed by law, for myself, my child, our estates, our heirs, our administrators, our executors, our assignees, and our successors.

I also agree to release, exonerate, discharge and hold harmless SVA, its Board of Directors, the individual members thereof, and all officers, agents, employees, volunteers, and representatives from all liability, claims, causes of action, or demands, including attorney fees, fines, fees, or other costs (e.g. medical costs) arising out of any exposure to or illness or injury from an infectious disease including COVID-19, which may result from or in connection with my child’s participation in soccer. I further certify and represent that I have the legal authority to waive, discharge, release, and hold harmless the released parties on behalf of myself and the above-named athlete.

**I certify that I have read this document in its entirety and fully understand its contents. In exchange for the opportunity to participate in soccer, the above-named athlete and I freely and voluntarily assume all risks of such hazards and notwithstanding such, release SVA from all liability for any loss regardless of cause, and claims arising from the athlete’s participation in soccer.**

# SOUTH VALLEY ATHLETICS- Spring Soccer Info/FAQ

We offer soccer for children from age four through 8th grade. Four year olds do a once-a-week "camp" and all other ages play on teams. Teams are divided by grade and, when enrollment numbers allow, by gender.

SVA office will contact you via text to verify practice information. If your child cannot attend practice at the assigned time, please contact the office as soon as possible\_ at 541-942-3079.

**Soccer practices** start 4/03 and are twice a week at local fields. Games are on Saturdays from 04/15-06/03.

**Jerseys** will be handed out before games and are to be returned to SVA at the end of the season.

**Picture day:** TBD (Most likely be scheduled on a practice day)

**Game schedules** will be available by 04/03.

**Shin pads** must be worn to all practices and games. They must be covered by long socks. SVA sells these items if you need some. We also have free cleats that have been donated/swapped out. Take a look!

**Rules** for our soccer league are posted on our website, [www.southvalleyathletics.org](http://www.southvalleyathletics.org).

**Referees** for our league are mostly middle- and high-school kids who also play. If you have a kid this age who is interested in learning to referee, have them call the office. This is a great way for them to get involved in the community, build confidence and leadership skills, and earn some money.

---

**Why do you charge \$90 to play?** We strive to offer sports to the community at an affordable price. We have to pay rent, contract with the school district for the fields, replace worn equipment, carry a big insurance policy, and pay our referees and our one, part-time employee. For comparison, Kidsports and LYSA charge \$90+ for soccer, do not provide uniforms, and not all games are local. Baseball is \$75-\$130, football is \$200+. Swimming is \$47 for eight lessons; we have practice twice a week and eight games.

**How do I become a coach?** Please contact the office. You will need to fill out an application and pass a background check (once per school year.) There will be a coach meeting and a coach field training session before practices start. Coaches must be 18 or older.

**How do you divide your teams?** Dividing teams for each sport is a complicated process, done by the sport chair and their committee. We try to make balanced teams considering skill level/experience/age, and also to accommodate numerous requests from people who have limited availability for practice days/times. Siblings will be placed on the same team only if they are in the same age group/gender division. A request for certain days/times/coaches/friends/cousins/transportation issues will be considered, but often cannot be met with the practice times/days that our (volunteer) coaches have chosen. It can also lead to unfairly "stacked" teams. We grant very few requests to play "up" a level; the child must be approved by the sport committee. ***Safety is our primary consideration in that situation.***

**How can I help?** We are always looking for volunteers and sponsors! Volunteers can do anything from pick up trash one Saturday, help setup before games (8 am!), line the fields, coach or assist a team, join a sport committee for a season or interview for our board. As a non-profit, we are always looking for sponsors- your donation is tax-deductible, you can get your logo on a shirt, and make a difference for our kids!

**Who do I contact with questions or concerns?** Please contact the SVA office by phone, email or Facebook.

Someone will get back to you during our business hours- **Mon thru Fri 9:30 am to 3:30pm.**

If you have an immediate concern on a game day, please find the nearest SVA staff member (blue SVA shirt.)

If you have a complaint, concern, issue during or after a game or practice please **email** with detail info.
