Our Mission is to make every child’s potential a reality by engaging and empowering families and communities to advocate for all children.

Our goals are to: **Promote** community spirit by providing a forum for students, parents, and school staff to socialize and network via PTA sponsored activities; **Enhance** the school learning experience by supporting students and teachers through events; **Fundraise** to help support the school’s programs; and **Publicize** our school’s achievements through local events, environmental initiatives and service projects for the larger community.

Volunteer Opportunities

PTA events do not happen without volunteers! Attend a meeting and find out how you can help — whether it’s your interests, time or talent — we need you!

Although it is encouraged to attend PTA meetings, stay connected and updated at:
