

To our Valued Customers,

In the business world there is always uncertainty, but understandably more so in today's environment. I wanted to reach out and let you know that it is business-as-usual here at PD&S. That means we're still available 24/7/365 as your trusted logistics provider to support your shipping requirements. To address concerns about supply chain disruptions, we have equipment staged in the area & partners staged around the country for all of your expedited transportation needs.

Whether you need a cross-country shipment, a local sprinter van delivery or anything in-between, we are here to help. We are on call and ready for any of your emergency or last-minute shipping needs.

The safety & well-being of our team members & customers is our top priority. We are closely monitoring guidance by the CDC and other public health organizations and taking proper health precautions where warranted. We are also encouraging our team members to take any signs of illness seriously & seek medical attention as needed.

Please give us a call at 812-422-8700 or email Operations@pdsagent.com for all of your shipment needs.

Our teams are here & ready to help!

Sincerely,

Your One Call Freight Solution!
