

Tuition/Different Categories of Skiers

BART has different categories of skiers and tuition costs to reflect those differences.

DEVO

Some skiers (typically the younger skiers who are still developing their skiing skills) will only train on Saturdays at Bluewood, and will not travel to any races. They are referred to as our developmental (**Devo**) team. Although Devo members do not travel to race, they may participate in a club race hosted by BART during the season at Bluewood.

Tuition for a Devo member of BART is \$450.00 for the season. This equals out to ~\$26/day for close to six hours of instruction. However, if you are a new member to BART, you receive \$50 off your yearly tuition. As a Devo member you are encouraged to travel to two races...they are held at Anthony Lakes ski resort. This is a beginner race where you can feel comfortable your child will have a wonderful first experience. These are fun race events that are public and anyone can register for by contacting the Anthony Lakes Ski Racing Association at 541.786.2465 or iskifast@eoni.com. This race will be held in February and then again for the Broadway Blast held in March. There is no hotel required, most drive back and forth as the mountain is close. Registration for these races should also be available on the Anthony Lakes Website www.anthonylakes.com.

TRAVELING RACERS

Some skiers (typically the older, more experienced skiers) train on both Saturdays and Sundays at Bluewood. These skiers will travel throughout the Pacific Northwest to race. Depending upon the age of the child, some skiers may also travel outside of the Pacific Northwest for ski races, should they qualify for these specific races. These skiers are referred to as our YSL skiers. YSL skiers are broken down further depending upon their age. Travel team members must pre-register for all races they will attend and book a hotel stay (see list of hotels). Use the EEYSL 2016 race entry form. You can make multiple copies of the blank form provided in this packet or you can print your own from our website.

Tuition for YSL skiers, U12, who are under the age of 12 years by December 31, 2015 is \$700.00. ~\$23/day. New YSL skiers also receive \$50 off.

Tuition for YSL skiers that are considered U14 (ages between 12-13 years of age by December 31, 2015) is \$800.00. ~\$25/day. New U14 skiers receive \$50 off.

Youth that is 14 years and older is \$800.00. New skiers over the age of 14 receive \$50 off.
