

BOARD MINUTES/UPDATE OF THE HNOA - January 29, 2009

HNOA Board member Patrick Easton resigned in November 2008. A notice was sent out in January to each owner with the HNOA 2009 yearly Dues Billings stating that the Board was seeking an Association member to fill the vacant Board position. Those interested in applying for the position were urged to indicate their interest by emailing Board President, John Metschan. HNOA owners Michael Pappa and Jean Cameron both expressed interest in filling the Board vacancy. On January 29, 2009 the members of the Board elected Jean Cameron to fill the vacant “at large “ position.
