**Contracted with VFW of Ohio Charities to put
100% of gaming money back to the community

~COMMANDER~

Over the last couple of months the exterior of our post has begun to show some improvements. The building roof fascia has been replaced; fences built and painted, flower beds weeded, parking lot patched and an overall improving appearance to our exterior is in progress. I want to recognize and thank several post officers and members; Officers Don Schoen, Stephen McGinnis, and members Eric Fleming and Mike Hensel for physically working on these improvements. So far, it is a good start and the goal for post officers will be to continue to develop and complete exterior projects this summer. In addition, long range research and planning is being conducted to attack our early spring flooding problems. This problem has no simple solution and requires us to coordinate with neighbors, the county engineer and ODOT. More will come on this in the future.

The folks listed above are only a few of the individuals that should also be recognized for their dedication to our Post. Our thanks go out to Kathy Seckel and others, who are always in the canteen collecting for our 50/50 tickets and drawing registrations. Also, members like Tom and Terri Titus who for years have donated their time and efforts to support post projects and are responsible for the new overhead fans on the patio. If you see these folks in the club please thank them for always being willing to help. This is only a short list of the members that are the real backbone of our POST and the reason why this post is improving. As the Post Commander, I am very proud to see so many members involved and participating in our daily activities.

With summer here it is time for our Auxiliary and the Vietnam Veterans of America Chapter 1117 car show (Sunday, July 15th). This is a big summer event for them and is accomplished with the help of the Honor Guard. The post officers are very proud of how well these organizations work together for a common goal and want to encourage everyone to come out and support this event.

On an informational note, our canteen manager is working hard to identify summer staffing requirements and is adjusting canteen hours to match our club summer use. So look for some changes in our summer hours. We run a very large electrical footprint every month and others costs and expenses must be identified and controlled so that the canteen is not wasting funds. It is a simple fact that club participation is lower in the summer. However, these adjustments will not impact our peak periods of use. The Post canteen is a great place for dinner and to have a beer with friends. Our future is what we make of it and every member can have a positive impact on our future.

Please visit our www.vfw7201.com webpage and VFW Auxiliary Post 7201 Facebook page to confirm current Post hours, upcoming events and special dinner menu nights.

Post Commander,
Orrin H. Bowman
