“She is dependable and punctual and ... always friendly and considerate of others in the class. She has also shown a concern for the community outside of her school by the tutoring and outreach services that she has participated in. Taken together these attributes and her strong work ethic make her an ideal and qualified choice to consider for your scholarship. I highly recommend her for this scholarship.” **David J. Bennett** - Social Studies Teacher

“I would like to take this opportunity to express my gratitude to have been selected as the recipient of the 2020 USS Thomas Hudner Scholarship. It is an honor to be the recipient of this award... My senior year did not turn out as planned. Due to Covid-19... I will not have a traditional graduation ceremony. But, during this time I have been able to reflect and learn the importance of change. The way we live is changing and these changes are not all that bad. ... I will begin attending Keiser University in August. My freshman year will be like no other! Thank you Anchors Scholarship Foundation and thank you USS Thomas Hudner. I hear you cheering and I will make you proud!”
