

PWS Townhall 1

By

Kat Jensen

INT. PWS LOBBY

Julian is staring at a pile of pillows with a lost look on his face. Kat comes skipping up to him

KAT

Hey Julian, you said you needed my help?

JULIAN

I do! I keep seeing these signs that say the townhall is like a pillow fort so I want to build a pillow fort to watch it from. Can you help me?

KAT

Absolutely! I've been trying to beef up my building skills so this will be the perfect thing to put on my resume! Now let's see what we have to work with here...do you have any styles of fort that you like best?

JULIAN

Oh I don't care about that. Designer discretion. I just want it to pop.

Kat gives the camera a look that knows where this is going.

KAT

Well do you have any example forts you'd like me to look at?

JULIAN

Oh yeah totally! Come with me

INT. CLEARSKY COMPUTER

Julian is showing Kat pictures of actual castles.

JULIAN

I'm hoping we can have a moat around it...

KAT

Um I guess I'll see what I can do...come back in an hour.

Julian exists and Kat sighs deeply

INT. PWS LOBBY

Kat has finished building an awesome fort, complete with a moat.

KAT
Alright, I'm finished! What do you think?

JULIAN
I think it's awesome! It's exactly what I wanted! You're the best Kat!

KAT
Thanks Julian but it's not perfect yet! No pillow fort is perfect without jam jams! Let me just go change quick and we can watch this townhall!

Kat exits and Julian is left to admire the fort. Extra #1 approaches and looks at the fort with him.

EXTRA #1
HMMMMMM what is it?

JULIAN
It's a pillow fort of course

EXTRA #1
Oh I see it now. Yeah it's alright I guess.

JULIAN
You think it's only alright?

EXTRA #1
Well it doesn't really stand out. I think maybe you need to add some red to make it stand out.

JULIAN
Oh okay yeah you're totally right!

EXTRA #1
Yeah my cousin knows a house painter so I'm basically a designer.

Extra #1 leaves and Kat comes back in batman pjs.

(CONTINUED)

KAT
Alright Julian you ready to watch
this townhall?

JULIAN
Actually Kat (extra's name) was
just saying we should add some read
to really make it pop.

Kat visibly shudders.

KAT
Sure I can make that happen.

Kat looks around and finds a red sheet and puts it over the
fort.

JULIAN
Perfect! Now I think we're ready!

EXTRA #2
Wait! Don't watch the townhall yet!
Not in that monstrosity!

KAT
Heyyyyyyy

EXTRA #2
That red makes your fort look a
little extreme, kinda like blood.
You should add stuffed animals out
front so that people still know
you're an animal lover!

KAT
So...like bloody animals?

EXTRA #2
Yeah!

Extra #2 walks off. Julian looks at Kat pleadingly.

KAT
Eh! What the hey, I like stuffed
animals.

Cut to Julian and Kat in the pillow fort with stuffed
animals.

KAT
Okay! Are we finally ready to watch
the townhall?

(CONTINUED)

JULIAN
We sure are...

David comes out of nowhere shouting and interrupting Julian.

DAVID
WAIT!

KAT
Oh geese now what...

DAVID
Your fort needs one more thing!

KAT
Look I don't know who you are
but...

DAVID
POPCORN!

Everybody laughs

KAT
Well I think I can agree on that

JULIAN
Me too!

DAVID
Good! Because I just happen to have
already made some!

David pulls out a bowl of popcorn and climbs into the fort.
The three of them eat popcorn and watch the townhall video
while playing with stuffed animals. Kat points remote at the
camera.
