### QUALIFYING:

- 1) Qualifying fees are \$3.00 per sheet. Fees **must be paid** before the darter begins any qualifying attempt(s).
- 2) **All sheets paid for are non-refundable and non-transferable. No credit will be extended.**
- 3) A maximum of 3 sheets per person can be purchased at a time and thrown. Additional sheets can be purchased upon the completion of the previous 3 sheets either by qualifying attempt or forfeiture/incomplete sheet (D.N.F.).
- 4) BOGO night only 3 sheets can be thrown at a time. Free sheets will be put in a separate stack; this is to give other qualifiers their time at the boards.
- 5) Each attempt consists of 3 games of 301 straight in double out and are on 1 side of a qualifying score sheet.
- 6) You will be shooting for the lowest score in 3 game totals.
- 7) The qualifying score used for determining the All\*Star team is the *SUM* of 3 games total for a given qualifying attempt. A game from a different score sheet may not be used to calculate the qualifying score.
- 8) Once a darters name has been call to a board, you will have a 5-minute (max) wait time to be at the board.

- 9) If a darter is not present at the board by the 5-minute (max) wait time, the qualifier sheet will be placed at the bottom of the stack.
- 10) The darter may warm up **9 darts max** (*on the game board*) before starting each game of a qualifying attempt. The darter must inform the scorekeeper when they are ready to begin each game prior to throwing the first dart of that game.
- 11) Once the first game has begun, all three games *must be completed* without a break.
- 12) All games will be chalked by DDA board members and scores must be verified by scorekeeper before darts are pulled from the board. If there is no verification, the scorekeeper will list that round as a zero (0) score and 3 thrown darts.
- 13) Each leg of a qualifier consists of 30 (*max out*) thrown darts or less for a given leg. Once a leg starts, all darts thrown count in succession as the 30 (*max out*) thrown darts or less for a given leg.

**Example:**

<b>Game 1)</b>	_____ <b>22</b> _____ # darts thrown	_____ <b>22</b> _____ Max out (30)	_____ <b>22</b> _____ Game 1 total
<b>Game 2)</b>	_____ <b>17</b> _____ # darts thrown	_____ <b>17</b> _____ Max out (30)	_____ <b>17</b> _____ Game 2 total
<b>Game 3)</b>	_____ <b>30</b> _____ # darts thrown	_____ <b>30</b> _____ Max out (30)	_____ <b>30</b> _____ Game 3 total
<b>Total of 3 games:</b>			_____ <b>69</b> _____

- 14) The sum of all thrown darts counts as the score for a given leg.
- 15) All bounce-outs or robin-hoods are darts that **cannot be re-thrown.**
- 16) A "bust" on dart one or two will be scored as three darts. Dart(s) are pulled and next round begins.
- 17) If someone gives up during a qualifying attempt, that leg and therefore the entire attempt is unfinished and ***may not be resumed*** later. The score sheet will be marked D.N.F. for the leg and the overall qualifying score will be recorded as a D.N.F. (Did Not Finish).
- 18) Playoffs will be determined by the #number of tied qualifier sheets. The amount of players with tied scores will determine the number of playoff dates required (one or two).
- 19) Playoffs will be 3 games of 301 (si/do), darters will play against each other for the lowest score of all 3 games.
- 20) Darters that are in the Playoffs will be contacted by phone call, text or email by the All Star Chair, DDA President or the All Star Secretary using the information provided on your qualifier sheet.
