

VETERANS OF FOREIGN WARS AUXILIARY
Dept. of Wisconsin
MENTORING FOR LEADERSHIP MARCH BULLETIN

We are now in the second half of our Program Year. You were encouraged to focus on Mentoring inside and outside of your business meetings. You should have provided online tools to your Auxiliaries to help build strong mentoring skills to encourage new leaders to lead.

Elections are right around the corner. Have you started to recognize who would be a great leader? If you have not done so, now would be a great time to start. Encourage members to become leaders. **Never use fear to get leaders in your Auxiliary, District or Department.**

Thank you to all the District Presidents and Sisters who painted rocks and brought them to the Mid-Winter. We had a nice collection to share with those who attended. All of you had such neat ideas and your rocks were fabulous. With Convention down the road, we will again have members who want to paint more rocks. Bring them to convention and we will have another drawing for a wine basket.

Reminder of the awards you can receive from National. Entry forms for both awards are to be sent to me by March 31, 2021. You can find the forms on MALTA under resources. Please stay safe and healthy while we serve our mission to our Veterans and their families. God Bless everyone and God Bless America as we "Soar Like an Eagle for our Veterans" while "Honoring our Mission to Serve Veterans."
