## International Presence Proud Sponsor of the World's Largest Power Systems Exposition: 2015 COMMON Annual Meeting and Exposition

IP Sponsorship Featured on [COMMON Annual Meeting website](#)

The Annual Meeting is COMMON's largest educational event of the year, with four full days of in-depth IBM i, AIX, and Linux-related education that includes all-day pre-conference workshops, open labs and a wide variety of regular-length sessions. It is the annual meeting of the COMMON membership and the largest gathering of the Power Systems user community.

It will kick-off with the Opening Session on Sunday, April 26, 2015, followed by four days of leading-edge IBM i, AIX, and Linux-related education, closing with the fun and exciting Closing Reception on Wednesday, April 29, 2015. Of course, as is expected from all COMMON conferences, there will be plenty of social and networking events taking place throughout the week.

The Annual Meeting and Exposition is the premier educational and networking event that you and your team will not want to miss. Be sure to schedule time to browse the world's largest Power Systems Exposition, encompassing over 80 exhibitors, including IBM. The COMMON Exposition provides a one-stop source of up-to-the minute information and ideas for the IT industry. Discover what's new in the IBM i and AIX world and give your company ways to reduce costs and improve productivity. Also, since many different technologies are on display, you can compare alternatives and determine what's right for you.

### Thank You to Our Sponsors:

**About The International Presence Group:** International Presence is a privately held company that has been developing enterprise message delivery, document management and business process improvement solutions for since 1986.
