President's Message

We have received a couple of letters regarding the format and tee selections in the Saturday skins game. We appreciate the input from the membership. The Board of Directors met and had lengthy discussions regarding your concerns. Keeping in mind that we can't satisfy everyone, we have come up with a new format that should address most members concerns.

Instead of splitting the field in half to determine what group you will be in "A" or "B", the groups will be determined by your handicap. Handicaps between 0 and 10 will be in the "A" group and will play from the blue tees on both courses. Handicaps between 11 and 20 will be in the "B" group and will play from the white tees on both courses. The groups may not be even and how many players in each group will determine the payouts.

The closest to the pin will pay \$15 on each par three in both groups (one winner per flight) and will be played from their respective tees (no more putting the tees together). The closest to the pin money will come out of the pot first and then the skins will be split between "A" and "B" groups according to the number of players in each group.

The Board of Directors feel that this will resolve issues regarding competitiveness, knowing exactly what tees that you will play, what group that you will be competing in, and overall have a fun round of golf.

I would like to encourage every member to take advantage of the communication aspect of the new EPMC Web Site (elpradomensclub.com) and can ensure that any issues that you bring to our attention will be addressed in the monthly board meeting. All emails sent to info@elpradomensclub.com will go directly to all members. Also, if you have a question for any of the board member, use the form at the bottom of the home page. All suggestions or comments also go directly to all board members from there.

Rule 6-6 Scoring in stroke play

a. Recording Scores

After each hole the *marker* should check the score with the *competitor* and record it. On completion of the round the *marker* must sign the scorecard and hand it to the *competitor*. If more than one marker records the scores, each must sign for the part for which he is responsible.

b. Signing and Returning Scorecard

After completion of the round, the *competitor* should check his score for each hole and settle any doubtful points with the committee. He must ensure that the *marker* or *markers* have signed the scorecard, sign the scorecard himself and return it to the committee as soon as possible.

PENALTY FOR BREACH OF RULE 6-6B:

DISQUALIFICATION.

C. Alteration of scorecard

No alteration of may be made on a scorecard after the *competitor* has returned it to the committee.

d. Wrong score for hole

The competitor is responsible for the correctness of the score recorded for each hole of his scorecard. If he returns a score for any hole lower than actually taken, he is **disqualified**. If he returns a score that is higher than actually taken, the score as returned stands.

Fred Street. President

Modified Pinehurst

We had 84 members (42 teams) sign-up for the super modified Pinehurst tournament. We had two no-shows so we ended up with 82 players total. I was able to piece together a team but please notify us ahead of time when you will not be able to make it.

First place in the "A" flight on Chino Creek went to the team of Jess Tejada/Manny Valdez with net 65.

Richard Kerian/Rich Lizarraga took solo second with net 66. A four-way tie for 3rd place at 68 went to the teams of Chris Fitch/Rich Rudell; Rich Bach/Tom Clark;

Rich Tharp/Greg Entrup; and Ron Mercurio/Paul Granger.

In the "B" flight on Butterfield Stage, 1st place was the team of Don Yurgans/Larry LaBonte, with a net score of 63. There was a 4 way tie for 2nd place with a net score of 64 by the teams of Doug Muphy/Mel Fekin;

JerryMcKee/Boone Barrow; NathanCarlson/Danny Carlson; and Chris Kaplan/Sam Sappington.

Everyone seemed to have a great time and the weather and courses were in great shape. Please be sure to take a copy of the rules with you when you leave the sign up table. Read them over before you hit that first ball off the tee, especially if you are confused with the format! I heard a couple of stories and even had first hand experience on the first hole with the group I played with.

Next month's tournament is the A, B, C, D, "Red Ball" Blind Draw – AB players playing from the blue tees and the CD players playing from the white tees on both courses, to be played on June 15th. This is all based on net scoring per hole. The team will designate the 4 man sequence (Batting Order) that will determine which player's ball will count, regardless of score on hole #1 (i.e. "Red Ball") which will count on hole #2, on hole #3 and hole #4. This process will continue every 4 holes through 18 holes.

The team score on each hole is the designated "Red Ball" player's net score plus the best net score of the other three players.

Please sign-up early by sending your e-mail to dcox181@hotmail.com or by placing a sign-up form in the box located inside the El Prado Golf Shop. Remember that this is a blind draw tournament! Special thanks to Bruce Janke for all of his work on the scoreboard.

Social News

EPMC did not host a derby after the last tournament due to the Get-a-Way scheduled the same week. The Derby will return in June with a few surprises that you won't want to miss.

Congratulations to George Moore, Oscar Peniata and Don Yurgans for winning the 50/50 drawing! Yurgans won for the second time in as many months after saying he had never won. Can't win, if you don't play.

If you have any suggestions or want to shoot a note out to the board, there is a form on the front page of www.elpradomensclub.com.

Oscar poses with the ball a day after his fourth Hole-in-One!!

Congratulations to longtime EPMC member Oscar Peniata, after his tee shot on the 14th hole at Los Lagos Golf Club found the hole for an ace (double eagle/albatross) during the EPMC Get-a-Way on Thursday, May 15, 2013.

Also in his foursome were fellow members Darrel Wilson, Gary Martin and Roger Gilley, who witnessed the feat on the 285 yard Par 4. Yes, it was on a **Par 4** and NOT a Par 3 hole. Oscar has had three other hole-in-ones, but all of them until this one had been on Par 3's.

Oscar says he hit his tee shot to the blind hole and had hoped to get up and have an easy chip shot onto the green. After he and his foursome had searched for a couple of minutes, Oscar had become disgusted and told the other players to go ahead and finish the hole without him, while he continued to look around.

Oscar had his attention in some bushes while Darrel Wilson went to remove the stick so the other three could finish putting. Darrell brought over another one of the foursome and said to look in the hole. Darrel asked if Oscar could come over to the hole and tend the pin, without telling him what he found. Once Oscar got to the pin, he looked down and saw his ball and was elated to finally find it in the hole!

After a short celebration, Oscar signed the ball and had all the other members of his group do the same and then placed it in a safe place to be sure he didn't play the ball again. Oscar intends to mount the ball and display it in some way in the near future. Awesome story and shot!!

Congratulations Oscar!!!
