

Reading Readiness

Enrichment Program

“To learn to read is to light a fire; every syllable that is spelled out is a spark.”
- Victor Hugo

In our Reading Readiness Program, we strive to help your child gain the advanced phonics manipulation skills needed to progress while building oral fluency, listening, and comprehension skills. We will be working with Jolly Phonics as well as doing creative games, art activities and oral activities to help keep your child engaged and excited while learning.

We are offering 6 sessions throughout the school year. Each session will focus on one letter of the alphabet per week, with much of the last session as review. The program is most beneficial if your child attends all sessions, but you may sign up for as many or as few as you'd like.
