

# *Washington State Dahlia Society October Meeting*

It's that time of year again,  
when we cut the tubers from  
the Buffer Rows at  
Point Defiance!

If you have never divided  
tubers, or are an EXPERT at  
dividing, come to the Meeting  
and help divide clumps for our  
Tuber Sales!

For the inexperienced, or  
someone wanting more "how  
to", come sit beside one of our  
experienced dahlia people for  
some "Hands On" advice! It's  
lots of fun Many hands make  
light work!

**DON'T FORGET TO BRING YOUR  
TOOLS!!!!!!**

**Monday, October 21st at 7 PM**

**Fircrest Community Center**

**555 Contra  
Costa, Fircrest**

*If you are available to help dig  
and wash the dahlias from the 3  
Buffer Rows at Point Defiance,  
please be there at 9:30 Sunday.  
Many hands make light work!  
Thanks*

**Membership Dues are due BEFORE  
December 31st! Please fill out the attached  
form and send them to Ken ASAP! THANKS**

I'm sure everyone has been thinking about what dahlias you are going to keep and grow again next year and which ones will go by the way side. Or if you have too many of a variety or color!

Your club ALWAYS needs tubers for our sales! The sales are what makes our Dahlia Show Labor Day Weekend possible!

*Your club needs your extra tubers, please!*

If you have any clumps of NAMED VARIETIES you wish to donate, bring them Monday, and we will GLADLY divide and store them. They must be washed and dry, with their names attached to the clump. You will have more room for those tubers you are keeping for yourself and you might not even have to divide them! LOL

THE CLUB GREATLY APPRECIATES AND NEEDS EVERY DONATION WE CAN GET!!!! It doesn't have to be new varieties, older ones are appreciated and just as desirable!

If we have time, we will also be discussing how to store your tubers once they are divided.

*Bob and Terry will be providing the treats this month in honor of their Birthdays! Can't wait!!*

It is time for Elections! If anyone is interested in holding an office on the Board, please let either Ken Walton or Don Filand know.
