Plagiarize to build on and advance new ideas. Why rewrite something that is well written. A good piece of writing should be cherished not be mutilated by rewriting. Plagiarize a good piece of writing and then expand on it.

Evolution (**good enough for 1 God**) progresses by building on existing and then creating new. Reading a good piece of writing encourages the mind to lift one's intellect to the high standard of the original. Stopping this thinking to concentrate on rewriting is mediocre time wasting education. Be smart, 'Plagiarize'.

Plagiarism does not only apply to writing. Plagiarism applies to all 'IP' (**Intellectual Property**). The Community gives people the means and opportunity to develop Intellectual Property. Therefore all 'IP' is community property to be used by all! Profiteering from 'IP' is plundering a community a Crime: '**MS R6**'

All 'Intellectual Property' belongs to the community for the benefit of all. In corrupt, greed, profit driven Anti 1 **GOD** countries, plagiarizing may infringe copyright. Claiming Copyright is stealing from the community, criminal behavior: '**MS R6**'

Homework is the most dishonest and useless form of learning or teaching. A Scholar is under pressure from distractions, ignorance, friends, parents, timeline... Most homework is not done by the scholar who is being assessed and graded. Homework because of its dishonest nature is useless and misleading for assessment. Parents and Educators supporting homework, support cheating, dishonesty...

Educators have moral issues when marking. They suspect that the scholar didn't do the assignment. Because of this uncertainty any marks given are useless.

Homework as tool of assessment of comprehension is misleading. Therefore Homework is fake, a waste of time, resources. **No Homework!**

Assessment: Is needed to make learn and teach useful and effective. Whenever a study module is completed, a scholar get assignments to assess comprehension. The comprehension assignments are completed in class. **Note !** There is: 'No Homework' !!!

There are 2 assessment: **Pass** or **Fail**.

70 % Pass rate is 70% comprehension. Less a fail a scholar has to repeat the study module until a pass. **Note !** Only the module

needs repeating not the whole year.

There is no final year Assessment or final examinations (useless activity). Assessment is only for each module, not for accumulated modules. When a Scholar has passed all set modules a Course Certificate is issued.

Educators are assessed for work competence, dedication to 'Learn and Teach' and pupil comprehension. A teacher needs to be able to 'self assess' their teaching performance. Class pupil comprehension pass rate of 90% plus is acceptable. Anything less, educator (Teacher) is removed, retrained. 90 %

Before each teaching term all study module comprehension assignments for the term must be 'successfully' completed by the relevant educator. A Educator needs a pass rate of at least 90%. Failure, the educator doesn't teach this subject that term. An assessment is made if that person is suitable to be involved with education. **Note:** C.G. do not support multiskilling. Knowing a little bit of everything and nothing well. Makes a person mediocre, not suitable for education. Educators are to be knowledgeable specialists'.

80 % A School pupil comprehension rate of 80% plus is acceptable. Less, Principal Educator is removed. Returns to teaching.

A school year is divided into 3 terms. Term 1, the 1st, 5 months. Term 2, the next 4 months. Term 3, the last 5 months of the Custodian Guardian calendar. There are no school holidays. Educators, scholars are entitled to 2, 1 week holidays. Taken separate, 1 week at a time. At least 3 months apart. Must apply at least 4 weeks in advance. Parents apply for scholar.

Note: Free education providers have field trips (day or longer) in every term. Field trips are free, mandatory. Educators, scholars and some parents (as needed) participate.

Exercise applies to education.

Scholars, Educators daily (mandatory) participate in indoor exercises (use LGM as guide). Gym's, Oval's are closed (mandatory). Contact sport, elite sport (1 winner, many losers) are banned. Any headmaster, educator deviating is removed from education.
