Quotes:

“Possesses a unique combination of insight, intellect and leadership....While maintaining Dean's list status, volunteers in support of multiple religious causes and participates in a variety of professional organizations. Rare to see this type of maturity in an undergraduate student.” **Robert Gallo** - Professor

“You have kept my momentum going and my goals within reach. My persistence and my success in my studies, inspired by the opportunity of the Anchor Scholarship, is my affirmation of how I will always treasure your support.” **Kyle**
