**ATTENTION ALL MEMBERS!!**

Attached to this month's newsletter is a copy of the rules for your Lodge's house committee. Please take a moment to review and re-familiarize yourself with their provisions. We have let many of them lapse and the Lodge is definitely none the better for it. As members we are supposed to police ourselves, our guests, our fellow members, and the property of the lodge. We encourage all members to speak to another member when something they are doing is out of line, and if necessary file the appropriate charge with the house committee. The house committee has pledged to be much more vigilant. Problems only escalate when they are not stopped at the first sign of an issue. We are all in charge of our own behavior, our guests, and our treatment of the lodge property. Clean up your messes, RESPECT our lodge and all of our members and their guests in your actions, your language, and your attitudes. We must demand this of ourselves and one another, and it is much more pleasant this way than the option of house committee enforcement through hearings, censure, and Suspensions/expulsions. We are becoming an Embarrassment to ourselves and it must come to an end. Thank you in advance for your attention to yourself and those around you in bringing this situation under control. Remember We are ELKS!!!!"

Your House Committee
