Website: Laurie is going to check into the color issue on the web page. On the mobile app the background is white and you can't see the wording, but on the desk top its fine. Laurie's going to see if there's a mobile app button that needs to be turned on. Laurie also has a debit card attached to our website account so Myrna won't have to pay it and get reimburse. It will just go on the debit card to the OSU account.

Old news: Laurie has challenged everyone to go out and get a sponsor, Lisa Overhuel has 2 possibly 3 sponsors! Way to go Lisa!

New business: We have a great seminar scheduled for our May 7<sup>th</sup> at 7:00pm. With Harris Statema. He is with AFCO Distributor's (LMF) I talked to him at the equine expo and was very impressed with all the knowledge he has to share. It would be a good seminar for all of the 4-H kids in the area. Tonia and I watched some of what he will share with us. I really encourage people to come. It's not just about horses, but all animals. We'll also be having more of these seminars this fall. If anyone has a vet, or a farrier that would be willing to come talk to our club please let us know..

We also decided to purchase a couple of portable toilets for the club. We won't be able to get the outhouses rebuilt this year so we can buy a couple for 350.00 a piece then rent a ADA unit. We also ok'd the clubhouse to purchase a good used riding lawnmower. This lawnmower will be use by members only and only for the Buckaroo grounds. Also Laurie Wyant and Jeanie Lewis have permission to open a new account at OSU bank in Lebanon, Or and to prior conversations on closing our account at Umpqua bank in Jefferson.
