New Hagerty Usage and Mileage Program

Vehicles insured in our program must be used on a limited basis consistent with the operation of something valuable, such as club functions, exhibitions, organized meets, tours and limited pleasure driving. Hagerty has no strict mileage limitation for collector vehicles used in this manner. We want customers to feel comfortable driving their collector cars on a limited basis without watching the odometer. Limited use does

NOT mean that vehicles will be used for normal or backup daily transportation, such as driving to and from work, or school, or for daily errands. We will not insure vehicles used for high-speed racing, or high-speed rallying, or for the commercial transportation of goods and passengers (such as rentals, commercial hauling, etc.).
