President's Message

**Sally Steele
President**

Hello Navajo Canyon Members, Associates, and Friends,

Can you even believe that it's June already! What an eventful year we've had so far with local, state, and federal happenings. I think we can all agree that we are on a roller coaster ride, a ride full of highs and lows, twists and turns, and not getting off it anytime soon!

Speaking of roller coaster, the Del Mar Fair is going on now, and Navajo Canyon is hosting the Voter Registration booth two days, June 16 and 22. This is always a great time for us with registering new voters, particularly with those who are switching from Dem to Republican! Plus spectators have a chance to rank their issues on "What's Your Beef" questionnaire. This year we will be highlighting the ridiculous Gas Tax that Californians are being hit with, and getting support to stop that crazy law.

At our May luncheon meeting we announced the plans we have for our October 10th Fashion Show at the Bali Hai. The response was tremendous, and we are grateful for your willingness to help make this a HUUUUUGE success. At our meeting next week we will announce the Charity in which some of the proceeds will be distributed to. As you may or may not remember, we are asking for Gift Cards donated from your favorite restaurants. Those will be used on our fundraiser "menu board" in which we all have chance to "buy it now" at reduced cost. It's not too early to start collecting those now. If you have already done so, please bring to the June meeting. In addition, we will start the Fashion Show sign up sheet, so bring your cash and/or checkbook!

We will have another announcement about "Navajo Nights," but we are not revealing this until our June 13th luncheon meeting! Exciting stuff!

This is our last luncheon meeting until September as we go "dark" in July and August. Hope you all have plans for a fabulous summer!

I have so much more to share with you, stay tuned for more later!

Sally

Waskah Whelan - Campaign Precinct Chair NCRWF

Question? What are we going to do about the Republicans that aren't backing our President in DC, but instead siding with the Democrats, even asking for impeachment? Three GOP Congressmen have joined with the Democrats suggesting impeaching the President. There are several Senators that never seem to have the President's back.

Is it not time to act on this? Rush said the only people who have Trump's back are the people that voted for him. No one in DC is behind him; he is alone. We must decide to either fight for our President and our Party or surrender. I believe this is the time for an Action Item if there ever was one!

Action Item: We have two big fund-raising groups in the country that raise money exclusively for either the Republican House races or Republican Senate races. I have supported these groups many times over the years. I recently wrote to them and said I was not sending them any more money if the people they were funding were not going to be loyal to the party, to President Trump and to his agenda.

Also, the RNC needs to hear from us saying we are expecting some discipline in the Republican ranks if they want to see any more donations from us. T

Call: The three Republicans asking for impeachment were Walter Jones-NC (252)- 931-1003 , Justin Amash-MI (616) 451-8383 and Carlos Curbelo-FL (305)-222-0160 even though Donald Trump carried all three of these states. Tell them you are not going to forget these cowardly actions and will work to defeat them in the next GOP primary.

I am open to any idea that puts some spine into the Republicans in DC. We need to speak with one voice and the power of all our members.

Support: **Write to President Trump to encourage and thank him at: President@whitehouse.gov**
Giving 'Atta boys' is always important! But, nothing wrong giving him your suggestions as well.

The TRUMP Rule Congressional Reform Act of 2017

1 No Tenure/No Pension. A Congressman/woman collects a salary while in office and receives no pay when they are out of office.

2. Congress (past, present, & future) participates in Social Security.

All funds in the Congressional retirement fund move to the Social Security system immediately. All future funds flow into the Social Security system, and Congress participates with the American people. **It may not be used for any other purpose.** [and I add that all Social Security funds are to be removed from the General fund and used only for Social Security payments]

3. Congress can purchase their own retirement plan, just as all Americans do.

4. Congress will no longer vote themselves a pay raise. Congressional pay will rise by the lower of CPI or 3%.

5. Congress loses their current health care system and participates in the same health care system as the American people.

6. Congress must equally abide by all laws they impose on the American people.

7. All contracts with past and present Congressmen/women are void effective 5/1/17. The American people did not make this contract with Congressmen/women.

Congress made all these contracts for themselves. Serving in Congress is an honor, not a career The Founding Fathers envisioned citizen legislators, so ours should serve their term(s), then go home and go back to work.

May 24

Voter Registration
New Citizens Ceremony
San Diego Concourse
10am-noon

May provided Navajo Canyon a couple of opportunities to get out in the community and register voters. Thanks going out to Carol Larabee, Andrea Canfield, Carolyn Fulford and Kat Culkin for joining me on the Concourse May 24th for the New Citizens ceremony.

Trolley is easy from the East County. Take the green line to Sante Fe depot, transfer to the orange line through downtown and exit at the Civic Center. You can also take the Orange line into downtown coming west, still exiting at Civic Center. Go north into the concourse, see the colorful Republican Tent located right smack on the concourse, across from the other party and in front of Golden Hall. Sign-in and say Hello!

At about 10:30 a.m. a large group of happy, new naturalized citizens will come streaming out of the double doors to celebrate with their friends and family. We will be there to greet them and register them as Republicans.

By 12 noon, registrations will be complete, the tent will be packed up and the area cleared. Plan then to celebrate your day's accomplishments at lunch with your teammates. Wear your Republican red and show the Dems our patriotic spirit and spunk! Check the trolley schedule at sdmts.com

Navajo Ladies came out to share the voter registration duties with Lakeside RWF at the Santee Street Fair on May 27th. We took the early shift and worked for a hour each to man the booth for four hours. We registered four Republicans, two switching from Democrat!! Keep up the good work DNC, we'll be happy to re-register all the disgruntled Democrats! Special thanks to GOP intern, Stefan Kleinhenz, from Santana HS. He set up and broke down the GOP booth for our registration efforts. Good luck at Hillsdale College in the fall. We need more young people like Stefan!

Thanks to Gloria Harpenau, Sandra Giodano, Mary Lewis, Nancy Murnahan, Tricia Taylor, Carleen Grantham, Kathie Riesgo, Waskah Whelan and Pat Boerner for coming out and having fun!

Next New Citizens ceremony at Golden Hall is Wednesday, June 21st. I will be traveling and not able to attend. So, please, will someone, anyone, make a showing for Navajo Canyon??!! Also, thanks to all you Ladies who volunteered at this year's county fair. Your time and presence is important and always appreciated! Contact me anytime,

Talking Points for Repealing the new Gas Tax and Car Tax

Waskah Whelan, NCRWF Campaign Precinct Chair

www.stopthecartax.org

- These 2 new taxes are now law. Passed by the Super Majority Democratic Legislature in Sacramento in 2017. They say the money is for roads, but it isn't. All gas taxes are supposed to go to repair and build roads, but the money is put into the general fund.
- There will be a \$1 tax on each gallon of gasoline. Each car owner will have to pay an extra \$200 to \$300 per year to register their car, over and above what they pay now.
- Every product you buy that is delivered by truck, will have this new cost figured into the price.
- There is a plan to repeal this new law with an initiative proposal that requires the collection of signatures state-wide to place it on the ballot. The Secretary of State only allows 180 days to collect the hundreds of thousands of signatures needed to qualify for the ballot.
- Democrats come out purposefully to sign our ink and paper petitions with fake names so when the petitions are spot checked for accuracy, they fail and are thrown out. Of course the Democrats don't want us to be successful in stopping any of Sacramento's laws, because they are the ones that passed these bad ideas in the first place.
- We are asking you to sign up on-line ahead of time so we can get a head start on collecting valid names. Also we want you to email others to sign up now. Once the petitions are out, you will be notified and asked to go out and sign a real ink and paper petition and to alert all your friends of the petition and the deadline for signing. The best way to get enough valid signatures in 180 days is to have thousands of signatures ready to go when the petitions come out.

Talk show hosts Carl DeMaio, 600 AM and John and Ken from Los Angeles, 640 AM, are all part of this on-line signature gathering effort.

Chaplain's Message

“Peace I leave with you; My peace I give to you...Let your heart not be troubled”

John 14:27

June has Flag Day & Father's Day & a few lesser known "holidays": National Doughnut Day, National Go Barefoot Day, and Hug Your Cat Day. It also is home to the first day of summer. This is our last meeting until September & though we will be doing lots of work for the political scene & community (don't forget to send your hours to Carole during the summerJ), we won't be meeting. We can have a few months to regroup, reenergize, retreat, & relax.

To start us off on that road, I'd like to quote from *"Everything I Need to Know, I Learned from a Little Golden Book"* (you remember those) by Diane Muldrow (c. 2013):

Is your life starting to feel like a circus? Don't panic, today's a new day! Frolic, Daydream, Stroll; the simplest things are sometimes the most fun! Be a hugger! Kiss! Look up & savor the seasons as they roll around. Be unique. Keep in touch. Cultivate contentment. Take a mental health day now & then. Work hard, play hard. Do no harm. Be proud of your country. Give thanks.

The best things in life are there for you. God made them & you. Take time to appreciate what you have, you are, you can be. Take a deep breath & remember you don't have to do it all! REST this summer! Be safe in whatever & wherever you go!

God bless you & keep you!
