Quotes:

“I continue to be impressed by all that he accomplishes. The way he humbles himself shows maturity well beyond his years. There is no doubt that he will achieve all of his goals and more. He has been a role model here at Mallard Creek and will leave a lasting impression with all of us. Though I am sad to lose him, I am excited that he has the opportunity to impact even more lives in the STEM field.”

Cassie Payne - School Counselor

“I want to become a physical therapist and that requires post undergraduate studies. I know that by receiving this scholarship it will help me obtain my undergraduate in Health Science with a concentration in Pre-Physical Therapy. These funds allow me to fulfill my dreams of helping people in my role in health care.” **Bryce**
