Minutes of March 9, 2021

Meeting opened by President Kushner:

- Moment of Silence held for our friends and colleagues.
- Treasurer's report was given and approved
- Minutes of last month were approved
- 66 members were in attendance
- Mitch reminded us to speak to the entry team. Was the door forced? Was it unlocked?
- He also did a recap of all upcoming training and requested that all members stay for the duration of all training.
- Mitch talked about the ability we have for input on the new NFPA 1321, which will most likely replace NFPA 1033 and NFPA 921. This is slated for the September training with Corey Reeves.
- Fire were discussed in Boone County, Chicago, Crystal Lake and Evanston

Our speaker was Terry Shepard, CFD, BAT6. Terry covered the recent LODD death of Firefighter MaShawn Plummer.

Terry went on to remind us that Knowledge and Training equals effective firefighting.

Terry spent quality time covering today's fire scene, NFPA 1700, fire dynamics, and tactical considerations for single family & multi-unit dwelling and also single story Commercial properties.

This led into post-fire practices and investigations.

We appreciate Terry's time and effort for a great presentation.

Our next Meeting is April 13, 2022, at 0900. Meeting site is the Salvation Army Community Center, 8354 W. Foster Ave., Norridge, IL.
