

SUN LAKES SENIOR SOFTBALL ASSOCIATION
GRANDFATHERED PLAYERS

This written policy sets forth the previously unwritten policy regarding “Grandfathered Players.”

A Grandfathered Player is a former resident player who moves to a nearby community but wishes to continue playing in our league and maintaining membership in our Association.

It is our policy to permit such players to continue membership in our Association with full benefits and privileges.

The Grandfathered Players are counted as residents for purposes of determining our allowable percentage of non-resident members; however, the Grandfathered Players must pay the non-resident member dues.

This policy was approved by the Board of Directors on September 9, 2011.
