Spaying and Neutering

Classroom Work Sheet - Questions

(To be used with the Be Kind Belize Spaying and Neutering Fact Sheet)

A. What is neutering & spaying?

1. An operation on a female cat to stop her from getting sick.
2. A pill for dogs to stop them from being strays.
3. A collar for dogs to stop them from getting fleas.
4. An operation to stop dogs and cats from being able to reproduce.

B. Why would I want to have my dog or cat neutered or spayed?

1. I want them to stay at home more and not wander off.
2. I want them to be more loyal.
3. I don't want them to add to the pet population.
4. I don't want the big responsibility and cost of puppies or kittens.
5. I want to be the best pet owner possible.

C. If someone I know wants a puppy or kitten, what is the best advice I could give them?

1. To buy one from an ad in the paper.
2. To let my dog or cat have puppies or kittens so I can give them one.
3. To buy one from the pet shop.
4. To go to the local humane society or animal shelter to adopt.

D. If I want my dog or cat to live longer, I can..

1. Feed them a healthy diet.
2. Make sure they always have fresh water.
3. Make sure they always have shelter from the sun and bad weather.
4. Make sure I worm them for stomach worms and heart worms regularly.
5. Make sure I have them neutered and spayed.
6. Make sure I give them plenty of exercise.

E. What diseases can my dog get if they are not neutered or spayed?

1. Heartworms.
2. Cancer and TVT.
3. Flu.
4. Rabies.
