Welcome Everyone!

President's Message:

Hello IH enthusiasts!

Where did the summer go? August is here and our State Show is 4 weeks away as I write this message. Heritage Park of North Iowa at Forest City will host us on September 14 – 16th. The feature this year will be Pre-1939 equipment. Should be some interesting displays of rarely seen machines. The banquet will be held on Saturday at 6:00 pm with the meeting to follow. Please RSVP to Pam by September 7th. I encourage all members to make plans to attend. With so much time between meetings this year, it will be good to see everyone again.

The fall meeting is scheduled for November 11th in Glidden, IA. Noon meal with the meeting to follow. The Van Horne Museum of Taxidermy will be providing tours. More details to follow.

Work continues on the revision of our by-laws. I hope to have copies in your hands prior to the fall meeting.

One final thought before I close, several members have reported having issues contacting me by email. The last newsletter had a misprint of my email address. I can be reached at nepoweshiek@yahoo.com

See you in Forest City!

Aaron Wade
President

- **National Board:** Joe Neville, still looking for a location for 2019 Winter Convention, have a couple of prospects. Thanks to all from Chapter 5 who made it to the Branson Winter Convention It was an excellent show. RPRU 2018 in Alabama coming soon, hope to see many of you there Any donations go to the National Trust, principally for legal and protection reasons. The funds are distributed to what they were intended for. Jerry Mez recently retired from the committee, our Diane Caloud has filled that vacancy. Harvester Highlights videos can now be found on you-tube, there has been up to 40,000 hits to view it. Joe had mentioned the board is setting guidelines regarding insurance. If you are a paid member you are covered at IHCC sponsored events, other items such as renting golf carts or using your own cart or UTV you must have proof of personal insurance.

Two members passed away in January – Jeff Musin and Jerry Wiener. Aaron added that our club is open to all, and encouraged the

woman if not members be one, be involved, run for a board seat, and have a vote.

- **Scholarship:** Bob Gihring asked if there were any 2017 winners at the meeting today the 2018 deadline is coming close, see him if you need an application or go to the website. He thanks all those who have helped out with the selection committee, he has met a lot of wonderful kids in the process. Bob is looking for someone to chair the committee, he'd be willing to work with who ever would be willing to take the reins. The club surely appreciates all your hard work over the past 7 years.
- **4-H Report:** Ray Cook noted that things were not real busy at this time, but if you need any information contact him or Jay Stecker. Brian noted how much of an impact this program has. A young man Cole White took 1st place with a refinished tractor, it was his grandfathers he's bought his own tractor to refurbish for the upcoming year. How good is that?
- **State Fair Parade:** Don reported that the parade will be August 8th, meet at the Judicial Building parking lot, a number lottery is drawn for the parade order, all should be back before dark. He is also looking for someone to take over for him organizing this event, if interested talk to him.
