

Telsa became certified in July 2006 first through Lavish Lash and since then she's added many more brands and types of lashes to offer, including Evalash, human hair, synthetic, 2-strand and 4-strand clusters, colored, glitter and sizes ranging from 8mm-18mm.

Individual or Volume Lashes. \$135 full set, **\$45** for 30 min. touch up (approx. 3 weeks) (~1.5 hr)

Evalash- \$60 Available in 2 or 4 strand clusters, very natural appearance. **Touch up \$30** is recommended 2-3 weeks. Every other appointment should be a new set. Hard glue. Temperature flexible. (~1 hr)

Vitamin Lash-\$40 Most flexible and safe for your lashes. Can last 1-2 weeks (for new clients) Typical client (3-4 weeks) and Expert lash clients (5-6 weeks). Removes easily with hot towel and steam. Temperature sensitive. (~45 min)

Event Lash-\$15 Great for one-day events: proms, weddings, homecoming, etc. Not a huge investment, but will get you through the day! Washes out easily with soap and water. I've had people tell me they were careful and got them to last up to 3 days! (~20 min)

Colored lashes and glitter lashes can be added to your full set at no extra charge!

Semi-permanent mascara is available for \$24 to maintain extensions between visits and to darken lighter lashes.

You can message me on Facebook at Karen's Hair Designs and I will respond promptly.

Prices effective immediately and subject to change at any time.

No Show appointment will incur a \$5 rebooking fee.
