## **Commanders Message**

Greetings to all my fellow Legionnaires and their friends and families:

This has been one of the strangest and trying years of our lifetime. I hope that everyone is surviving all that is happening and doing well despite all the negatives. With that being said, please observe the new rules and regulations that we are forced to observe in our establishment, posted on the entrance doors and enforced by our staff.

There has been a change in some of our leadership positions. I am welcoming Wayne Bamlet as our new Finance Officer, Thank you Wayne. And at this time we are looking for one new board member. If you are so inclined, please step up to fill that position. This year, the board has been busy with getting the parking lot resurfaced, and getting new carpet installed in the club area along with several other projects that are being reviewed and hopefully completed very shortly.

This is being written before our September blue cap meeting so all I can say is that I hope that we get a good turnout for our Honor Guard uniform measurements. We have 26 members that we are purchasing new pants and boots to make our Honor Guard look very sharp. Thank you Dave Nystuen for spearheading this project.

After reading an article in the Legionnaire paper, Chet Finley is working at getting a military vehicle such as a helicopter or some other unit that may come available to us to put on our Memorial site. Thank You Chet for taking on this endeavor. Good Luck!

As it is my birthday this week of our blue cap meeting, I will buy all meeting participants a drink on me, beyond the free one that you already get for attending. I know this is after the fact, but you never know what may happen at a meeting.

My condolences go out to all the families and friends of persons that have passed away this past month. With everything else that is happening this can be a very trying time in your lives. The Honor Guard has been very active this past month. We not only support local families, we also have the opportunity to support the families of fallen soldiers in the Veteran's cemetery in Preston.

We, as a military family are not allowed to be political, but I urge you all to take the time to vote in the upcoming elections. Every vote does count.

Thank you to the POGS members that are taking care of our Flag display on the streets of Stewartville. This is just another way that we can support our community with the help of volunteers throughout our community.

Your Commander, Roger Peterson
