
Equity Council Meeting 11/18/21

—

“Educational equity means that every student has access to the educational resources and rigor they need at the right moment in their education across race, gender, ethnicity, language, disability, sexual orientation, family background and/or family income”

Goal: Review data and use that to find gaps

Agenda

1. Review revised CCCS DisciplinePolicy; connected to Black Education Act Policy
2. Marketing Review: Brochure and Landing Page
3. Recruiting New Equity Council Members
4. Meeting dates change (Dec)

Minutes

1. All documents will be in the google classroom. We reviewed the Title 1 brochure and the landing page.
 2. Regarding the discipline policy, per the attorney, vagueness is needed in the policy as it protects the school more than being more specific. There were a couple changes that came due to the Black Education Policy Act.

3. We have a solid base but we need to add more members. What potential hesitations people might have; Times of the meeting. Mr VP will send out a survey to us regarding our availability and then to the entire school asking about times and interesting joining the council. The council can be parents, family members or even community members.

Items for next meeting

1. We will review the survey to send out to the community in the new year and push for more members.
