OUR MISSION

The **American Federation of Teachers** is a union of professionals that champions fairness; democracy; economic opportunity; and high-quality public education, healthcare and public services for our students, their families and our communities. We are committed to advancing these principles through community engagement, organizing, collective bargaining and political activism, and especially through the work our members do.

Student Debt CLINICS

- Are you or a family member one of the 40 million people in the United States with student loan debt?
- Are you struggling to make monthly payments or worrying about student loans following you throughout your life?
- Are you tired of getting phone calls from loan servicers, or concerned about how to tell scams from genuine help when it comes to debt forgiveness?

If you've answered "yes," you need to attend an AFT Student Debt Clinic!

AFT Student Debt Clinics cover the landscape of free and underused federal programs that help many student loan borrowers lower their monthly payments and, in some cases, even have their debt forgiven. In a 90-minute session, AFT Student Debt Clinics provide:

- Information on how to enroll in income-driven student loan repayment programs;
- Help in enrolling in the Public Service Loan Forgiveness Program;
- Opportunities to interact with members who haven't been engaged with their union;
- A curriculum that demonstrates the power of our union in improving the lives of AFT members and the people in our communities;
- A resource to help persuade union members to become activists and leaders.

We can help you set up a student debt clinic for your members or prospective members, and can train you on how to provide member-to-member debt clinics.
