Practices:

For the month of August, practice will be Monday – Friday from 6-8PM at North Middle School. The first week or two will be player conditioning. For the first week of conditioning the Football players will need to wear Athletic Shorts, T-Shirts, and Cleats. Cheerleaders will need to wear Black Shorts, Fitted T-Shirts, and Sneakers with laces. Once the equipment provided by the league is distributed (Second Week), all players will need to have the remaining equipment required. Please see the Equipment Section of this document.

We recommend that all parents make sure that their child has plenty of water to keep them hydrated during practices. This is important for the safety of your child.

Practices are cancelled if it is thundering and lightning. If you have any questions during the season about practices, please contact the team's coach or team mom.

When school begins practices will be cut down to three days a week. The coach or team mom will communicate the day and times for practices when we transition to the shorten practice schedule. As the day light shifts, the time of practice may shift too. i.e. if it starts to get dark at 7:30 they may want practice to start at 5:30 instead of 6. This information will be determined and communicated to all parents when the decisions are made. It is important that you provide your mobile number and email address to the Coaches and Team Moms so you are included on all communications.

Parents must be at the field during practices, no child should be left alone at the field at any time.

Games:

Games will be held on Saturday or Sundays. As soon as we are provided the location and the time of the game, it will be provided to all of our Team Representatives, our Website will be updated, along with Social Media. Home games will be played at Brockton High School. Players are asked to be at all games at least 90 minutes prior to the start time. Before each game the players are weighed in.
