Dear Church Family,

We are one day closer to meeting again in the sanctuary to worship together as the Body of Christ.

Remembering that flexibility is crucial, our plan for the remaining three Sundays in May is to start back with **two** regular worship services starting on Sunday, **May 17**. No Sunday School classes will meet on the campus in May. The **two** worship services include:

- **9:30** Traditional Worship Service (Hymn Style)
- **11:00** Contemporary Worship Service

Notice the second service has a different **start time** than normal to give the first service time to leave the building before the Contemporary worship service starts. The only difference in the two worship services is the music.

We will follow the CDC guidelines of social distancing:

1. Remain home if sick or ill.
2. Personal protective measures are encouraged, such as facemasks and frequent handwashing. The church facilities will be cleaned daily.
3. Social distancing of individuals of at least 6 feet, specifically the sanctuary seating. This **does not** include family members sitting together.
4. Anyone of high risk or advanced age is still encouraged to shelter at home. So, we will continue to video tape and put the worship service online and have DVDs available.

In addition, we will also communicate during the May worship services the plan to resume our Sunday School and other ministries in June.

Let me again remind you to: Trust in the Lord with **all your heart**, and do not lean on your own understanding (Proverbs 3:5); because we know that for those who love God all things work together for good, for those who are called according to his purpose (Romans 8:28).
