

# Robert Johnson

My name is Robert Johnson and I have lived in Eastern Kentucky for the past 11 years although I grew up in Bullitt County. I went to Carl D. Perkins Vocational Training Center in Thelma, Kentucky. I received my G.E.D and later went to barber school where I received my Master's License in Barbering. I started out in advocacy by becoming a peer support specialist. This led me to the PAIMI Advisory Council (PAC). I applied and became a member of the PAIMI Advisory Council and have been a member for about 7 years. As a member of the PAIMI Advisory Council, I have conducted trainings at Personal Care Homes in Kentucky for the residents about long term care rights, voting, guardianship and the Amended Settlement Agreement. I also have presented at the PAIMI Consumer Conferences. In 2014, I was the PAIMI Advisory Council representative for the interview committee for the Director of Kentucky Protection and Advocacy. I have been very happy being a member of the PAC.
