Dr. Timothy (AKA Tim or Timmy) Michael Reeves, 47, of Castle Rock, Colorado passed away on October 8th, 2024. Born in Worland, Tim was the second of three children born to Michael Keith Reeves and Kelly Lynn Hodson.

After graduating high school, Tim enlisted in the United States Air Force, where he proudly served his country for 12 years, rising to the rank of Staff Sergeant. Throughout his military career, Tim was known for his exceptional dedication and service, which earned him numerous awards and commendations. Among some of his many honors were the Air Force Commendation Medal, the Air Force Achievement Medal, the National Defense Service Medal, the Global War on Terrorism Service Medal, the Korean Defense Service Medal and the Air Force Overseas Ribbon (Short Tour). These

accolades reflected not only Tim's commitment to his country but also the respect and admiration he earned from his peers and superiors.

Tim's dedication to both his family and his country was evident in every step of his journey, as he skillfully balanced the demands of his military and professional career.

Tim's personality and approach to life could be summed up in two words: "all in." Whatever he took on, he mastered—whether it was becoming a Doctor of Computer Science, cooking extraordinary meals for his family and friends, or tackling home improvement projects where his fingerprints are quite literally on every square inch of the property. He loved his friends and family deeply, and his fearless spirit shone through whenever he was defending those he cared about. His passion, dedication, and love for life were evident in everything he did, leaving behind a legacy of cherished memories and lasting impacts on everyone fortunate enough to know him.
