

PRESIDENT'S MESSAGE FOR JUNE 2018

The wind blew & blew & blew, long into the night. Our Inspection & Registration staff braved the wind all day Saturday & by the end of the day they had 71 racers signed up & ready to go! A GREAT JOB BY ALL!! And the wind blew on.....

By Sunday morning we were up to 78 entries and down to a breeze. A tailwind in fact! We started the day with Rick Head's Patrol Meeting, during his meeting Rick asked the Patrols to please upright cones that had blown over during the night. Also Lonnie Martin formed a crew to upright all remaining downed cones. THANK YOU ALL!!

In the Driver's Meeting we covered all the new procedures & after Wayne Hardcastle's Invocation & Wendell Burns," Old Golden Throat" led us in the National Anthem, we had the racers form 2 lines, 1 for Bikes & 1 for Cars. At that time we returned the Drivers Logbooks. Part of our new procedures, it went off without a hitch, 100%! Thank you Russ O'Daly & "Kiwi" Steve Davies!

Now it's time to go racing! Almost, seems the Ambulance was delayed so we made our run at 8:10AM. We were able to run pretty much uninterrupted the rest of the day. Outside of a few minor things, a spin & a late chute, we were able to complete 3 full rounds & left nobody at the line! All in all we made 133 runs. We set 8 Car records & 14 Bike records. Congrats to all!

Fastest speed of the meet goes to Car #44 with Arley Langlo at the wheel at a speed of 284.901mph!! Great job Arley! Fastest Bike goes to Bike #1974B with Pat Womack aboard at a speed of 244.339! CONGRATS TO BOTH!!

As always, THANK YOU to our amazing volunteers!!.....Pat

SEE YA ON THE DIRT IN JULY!!!!!!!!!!!!

Pat McDowell

SCTA President / Race Director
