President's Message

WOW! What a great tournament, 112 members, great competition, beautiful day I saw several new faces, welcome to our club, and of course the usual suspects. The 19th hole was buzzing and it appeared that everyone was having a good time; it doesn't get any better than that!

Next month's tournament is the President's Cup Qualifier. Historically this tournament has fewer players, I suspect it is because some members don't want to or are unable to continue the match play part of the President's Cup. The qualifier is a regular tournament with the same payouts as our other tournaments. You are not obligated to play in the match play portion if you are unable to play on Saturdays or don't like match play. Sign-Up and play just the one day tournament. I guarantee that you will have a great time.

The boards of directors have been working on several issues that I would like to share with you:

We now allow members to post on-line if they are unable to post at the course after finishing their round.

We will be publishing the tournament results on-line as soon as the results are confirmed and verified by the tournament director instead of having to wait for the newsletter to be published.

The handicap committee will be checking member's handicap to assure that they are fair and accurate. We will adjust handicaps if necessary. It is our responsibility to see to it that we have a level playing field.

El Prado Golf Courses is our home course and we should treat it with the respect that it deserves by following some basic golf etiquette, such as not driving too close to the greens, putting sand in the divots on the fairways, fixing ball marks on the green and maintaining a good pace of play. Thank you for being a member of the best Men's Club in Southern California.

Fred Street
President

Things that affect your outcome

- Not signing your scorecard = **Automatic DQ**

*If the newsletter is not ready by Wednesday, we will post the tournament results separately. If we wait to post the results separately. The newsletter will always include the results, along with the Top 25 and other news.

Please sign up early for next month President's Cup Tourney. Remember, to be guaranteed a spot, you need to sign up by the Saturday prior to the tournament. We will usually accept late signups until Tuesday, but only on a space available basis. If we have filled our reserved tee times, and the course has already booked the adjacent tee times, then you may not get in to the tournament.

Membership News

We have had an excellent year with the sign-up of new members. Some are renewals from only a couple years back. Be sure to say welcome to Brian and Kirk Dancses and Doug and Brian King when you see them. Only our longer time members will remember Chuck Wohlwend who has renewed after a long time (something between 10 and 20 years) departure. Glad to have another quality left-hander in our club.

The majority of our newcomers are not only new to our club but also new to handicap golf—getting an index number for the first time. We are glad to have them and grateful for choosing our club for their first men's club experience.

To our long standing members, if you see a new face in our Saturday or Tuesday skins, be sure to introduce yourself and welcome him to our club. If you are playing with a new member, be sure to be helpful with our protocol and rules. Not every one is used to playing the ball down and putting everything out.

If you are new to our club, thank you for joining us. If you choose to become active in our events such as our tournaments or Saturday and Tuesday skins games you will appreciate why I believe we are the best men's club in the region. If you haven't tried them, give our events a try!

2014 Getaway Classic

Just another reminder to start your planning for this entertaining event is coming soon. The 2014 Getaway Classic will take place the weekend before Memorial Day again this year—we have tried to lock this weekend every year as the temperature extremes that we have encountered in the past have been avoided with the earlier date. For new members this sanctioned Men's Club event is a real blast—good golfing on good courses, gambling at Nevada Casinos, great social event, tons of prize money, and mass consumption of adult beverages!!

Entry forms will come out around March 1 with entry fees due no later than April 15—sorry for that date but I have to commit money a month in advance. Good news is that entry fees for Friday & Saturday golf and the hotel will remain the same as they have been for the past three years. However, the Thursday skins game will be \$75 instead of \$60 as that was best deal I could negotiate with Laughlin Ranch—our \$54 green fee rate is \$20 below their standard fee. If you have any questions, fire off an e-mail and I will get back to you.
