SCOOP THE POOP

Help stop pointless poo-llution! When taking your pet for a walk, please remember to clean up after your pet. Besides being unpleasant to the nose and eyes, pet waste is an environmental pollutant that **can seriously harm Texas waterways**

and threaten the health of humans.

So remember, wherever you take your pet, clean up after it and encourage others to do as well.

Our park is a very important place.

Children play, residents picnics and birthday parties are held in the park. A waste station as been placed in the park for your convenience, please use it.

Thank you to all who picks up after their pet.
