Florida Arbor Day—Jan 21

Celebrate our Bay Hills trees! They give shade, habitat, cooling, noise abatement, air cleansing (oaks), soil stabilization plus added value to your home (as much as 20%!) Health note: five minutes of exposure to a setting with trees can relax tension in muscles & improve blood pressure — drug-free stress relief!

Tree care tips:

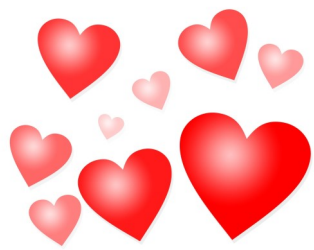

- ⇒ Hire **ONLY** companies with certified arborists for trimming or treatment.
- ⇒ If an arborist (private or County) certifies a tree as dead or diseased, **GET A REMOVAL PERMIT** from the County.
- ⇒ Replace lost trees following guidelines: not too close to house or street; call 811 before digging. University of Florida Extension service for Pinellas can help. Office at Florida Botanical Gardens, 12520 Ulmerton Rd, Largo, 33774 727-582-2100

Bay Hills Dr, shown in the tree photo above, looks temptingly like a race course straightaway. The speed limit sign says 25mph, which sounds pretty slow. Our active neighborhood has many children playing, folks walking with & without pets, bicyclists & skateboarders, workers of various trades—all who must move between and around the many vehicles parked on the roads. **We need to drive slower than the posted limit for the safety of everyone.** The idea of speed “humps” has come up, since general appeals have not slowed down any of the oblivious speeders on our streets.

TIME FOR TRASH TALK

By now you probably received your January bill from Waste Connections. Their rates have gone up slightly and are within 45cents/month of discounted full-service from Orion.

Therefore, if you need/want **twice weekly trash pickup and once weekly recycling pickup, PLEASE use Waste Connections.** You get the discounted HOA pricing IF you have paid your \$20 annual dues to the HOA.

If you need **ONLY once/weekly trash pickup** and can take your recyclables to the Hamlin drop-off center, **PLEASE use Orion.** Note: Orion is merging with Coastal Waste Inc, but is still honoring the rate given to Bay Hills (\$68.85 for 3 months, paid in advance). The updated trash information sheet is with this newsletter.

This is a **NO-SOLICITING** neighborhood. If you are approached, take a picture of the person & say no thanks.
