Admissions Packet

Dear Families,

Welcome to Victory Christian Pre-Kindergarten! We welcome you in the name of our Lord and Savior, Jesus Christ. He is the reason we are here! Our goal is to teach students to FOLLOW IN JESUS' FOOTSTEPS! (Be careful....as parents; you're setting the example!) Please know that Jesus is at the center of all we do at Victory Christian Pre-K.

You will find that our Pre-K program is a "Christ-Centered" creative learning environment. The Pre-Kindergarten student can expect a year filled with Bible Stories, Prayer, Bible Memory Verses, Develop Friendships, creative "hands-on learning" and much FUN! Our program has been designed to promote growth in the following areas: Christian Living, Social/Emotional Skill Development, Sensory Development, Large & Small Motor Development, Language Development, Math and Reading Readiness, Science, Music, and Creative Expression. Children are offered a wide range of materials with which to manipulate, explore, and learn. The classroom is constantly filled to overflowing with interesting materials. Individual differences are provided for as the materials and supplies are very diversified. It is our goal that every child meets with success.

Play is recognized as the child's way of working and learning. Young children learn through first-hand experience. They learn through experimenting, through observing, through trying and through talking about what they are discovering.

Attached you will find more information about our Pre-K. If you have questions, please feel free to call.

God Bless You!

VICTORY CHRISTIAN PRE-KINDERGARTEN:

PHILOSOPHY OF EARLY CHILDHOOD EDUCATION

In a learning environment with children whose developmental span varies, a tremendous amount of diversified materials are necessary in order to meet individual needs, interests, and abilities. The environment must be one that provides for all areas of development including the specific social, sensory, emotional, motor, and cognitive requirements of early childhood. Our program strives to create an environment based on the following beliefs:

1. Children grow and develop at different rates and that rate is separate and distinct from that of any other child. The rate of development is often unrelated to the child's age in terms of years.
2. Children are naturally curious and eager to learn, and they learn best when they are able to follow many of their own interests and desires to learn.
3. Learning is something a child does, rather than something done to him.
4. Play is a child's way of working and learning.
5. Children learn from each other; they learn to experience a sense of responsibility and achievement, to respect themselves and others, and learn how to learn.
6. A rich learning environment deliberately designed with stimulating materials is essential in helping young children learn basic skills. Concrete and sensory materials are a vital part of this environment.

WHAT'Z UP... at Victory Christian Pre-K?

Victory Christian Pre-Kindergarten recognizes play as the way young children learn. Our center provides creative "hands-on" learning experiences with an integrated theme approach. Statement of Faith:

Victory Lutheran Brethren Church which owns Victory Christian School has this statement of faith:

- 1) The Bible is central in our school and homes.** The Word of God is the focus of our worship, the textbook for our teaching ministries, and the foundation of our daily lives. Whether we are preaching, teaching, singing or just talking, we want to be people of the Word.
- 2) The Gospel is our treasure and our joy.** We want the Good News of God's grace to us in Jesus Christ to be the centerpiece of our mission. All people need the Gospel. God's children need to hear it again and again. The Good News is God's power; which saves us, draws us together, and motivates us for service.
- 3) We revere God's Law.** The Law of God cannot save us, but it is necessary for our salvation. We need to see our sin and be driven to the cross of Christ for forgiveness. We need to be reminded that we cannot earn God's love or merit His blessings. We need the ethical guidance that God's Law gives. We dare not make up our own morality.
- 4) The Word and the Sacraments are God's precious means of grace.** The Word teaches us, Baptism washes us, and the Lord's Supper nourishes us. In our sacramental life together, we are brought again and again to the crucified and risen Jesus Christ, who alone is the source of our salvation.
- 5) We cherish the love and fellowship of God's people.** We need each other. We need the spiritual gifts, which the Holy Spirit imparts to His people. We experience God's peace as we worship and work together, forgive one another, and bear one another's burdens.
- 6) We long for people to trust in Jesus Christ as Savior and Lord, to come to know Him in a personal way.** We are called by the love of Christ to share His Gospel. Our mission is as local as our neighborhood and as universal as the whole world.
- 7) We seek to be people of prayer.** Whether in public worship, small groups, or in our personal lives, we want prayer to be foundational. Prayer supports and propels us in our mission. We desire that prayer be as essential in our ministries as breathing is to our physical life.

I have carefully read the Statement of Faith and the Mission Statement for Victory Christian School. I understand and agree that they will be the basis for all teaching and policies.
