Our faults appear once we start to speak. That probably means we should stay quiet more, so we reveal our faults less. People would probably think we are extra holy if we could just keep our mouths shut! On top of that we might just grow in holiness through maintaining silence! It is an interesting thought. Take a minute each day this week and reread the first reading from this Sunday's Mass. I think you will learn something new each time.

Sirach 27:4-7

*When a sieve is shaken, the husks appear:*

*so do one's faults when one speaks.*

*As the test of what the potter molds is in the furnace,*

*so in tribulation is the test of the just.*

*The fruit of a tree shows the care it has had:*

*so too does one's speech disclose the bent of one's mind.*

*Praise no one before he speaks,*

*for it is then that people are tested.*

## National Black and Indian Mission Collection

Next week, our parish will take up the 135th annual National Black and Indian Mission Collection. Our support of this collection helps build the Church in African American, Native American, and Alaskan Native communities from coast to coast. Schools, parish religious education programs, and diocesan ministries depend on your generosity to help them spread the Gospel of Jesus Christ!

OTHER WAYS TO SUPPORT YOUR PARISH

- Have Masses offered for friends or relatives, deceased or still living. Just drop a note in the collection basket, along with your donation; the usual amount is \$5.00/Mass. If this would be a financial hardship, please let me know, and I will be happy to offer one without a stipend.
- Offer Memorials in honor of your deceased loved ones to your parish's building and maintenance fund, or to your parish cemetery.
