

# Kyle's Legacy Inc. – Year End Update

## By the numbers...

It was an amazing inaugural year! We accomplished so much with the help of all of you.

- We donated over **\$7,000** to The Baker Institute for Animal Health
- We held **9** Interactive events including our 1st Annual Kyle's Legacy Walk
- We have gained **257** followers on Facebook – Please keep sharing!!!

## 2018 Goals

### Fundraising Events

We will continue to hold interactive events that we hope you will enjoy being a part of. We will also be looking for new ideas and partnerships. If you have a suggestion, or would like to partner for an event, please email us at [savethepups@kyleslegacyinc.com](mailto:savethepups@kyleslegacyinc.com)

We would also love to have you join our growing volunteer group. Please let us know if you would like to become more actively involved.

### Financial Aid

We are working toward launching a financial aid program by end of May 2018! Of course, this relies greatly on donations and fundraising so efforts will increase there as well. This program will be available for qualified families to apply for monetary aid in lump aspirations, biopsies, and potentially Stage I surgeries. All monies granted will be paid directly to the veterinarian or hospital providing the services.

Look for more information to be posted as this dream of helping save lives becomes a reality.
