WHAT IS MOMS NIGHT INN?

Moms Night Inn is an overnight retreat for moms or female caregivers who are raising children of ALL ages who are deaf or hard of hearing. It is an amazing way to meet and share experiences with other moms "get it". Woven into these moments are the connections you make, the experience of sharing your personal journey with another mom and hearing about their journey.

WHAT IS INVOLVED?

Moms Night Inn is full of opportunities for fun and relaxation while also giving attendees the chance to learn from one another and share experiences. Activities can include presentations, pampering such as manicures or massages, crafts, and games. Whether moms are learning during a presentation or relaxing by the pool, they are surrounded by others who understand the journey they are traveling. The natural camaraderie and conversations that occur often blossom into friendships that support the mom and their family for a lifetime.

WHAT IS THE "PLUS"?

You asked and we listened... The fun typically begins at noon Saturday afternoon and ends around noon on Sunday. In past years our attendees have said that they wished the event could last longer. So this year we are offering an optional Friday night arrival to allow additional time to socialize before the official start of Moms Night Inn.
