

Park Trees

Some of the trees in a the park are dying or in tough shape. We asked an expert to give us some help. The following Web sites should help with information:

Western Gall Rust in the Lodgepol <http://www.fs.fed.us/r2/fhm/bugcrud/western.htm>

White Pine Weevil in the Spruce Tops

[http://www.na.fs.fed.us/spfo/pubs/fids/wp weevil/weevil.htm](http://www.na.fs.fed.us/spfo/pubs/fids/wp_weevil/weevil.htm)
