

SUMMERFUN KIDS CAMP

est. 2008

Full Day and
Extended Care
Now Available

School is out, but gym class will still be in session at SUMMERFUN KIDS CAMP. We offer a variety of games and activities that are one of a kind to our camp. From capture the flag to star wars dodge ball, our unique games make up two weeks of activity and entertainment. Our camp is ran by certified K-12 physical education teachers, Brian Lockman and Eileen Mission; who both currently teach in the Swedesboro-Woolwich school district and together have 24 years of teaching experience.

Campers will participate in a stress free atmosphere while enjoying many of the games and activities they love from their school gym classes. *New this year, the option for a full day program will allow campers to participate in activities that keep their minds active and fresh over the summer break. Our camp goal is to demonstrate to our campers the many entertaining ways they can stay both physically and mentally active and to use our years of experience to make an everlasting impression on each and every camper. This will be our 9th camp year and we can't wait until the summer is here again. Register early because space is limited. Please visit our website for additional information about our camp, including payment procedures and options. www.summerfunkidscamp.com
